Distributed by:

VG 3000 Tall Fescue

Quality Turf Type Tall Fescue

VG 3000 Turf-Type Tall Fescue is a new and improved Inherent Rapid Tillering tall fescue selected for turf quality

VG 3000 is an elite Tall Fescue cultivar that excels in challenging conditions such as experienced in New Zealand.

It has improved recovery from wear, drought tolerance, plus retains colour late into the autumn and winter months. VG 3000 Turf-Type Tall Fescue excels in a variety of environments and extreme conditions that require resilient turf.

Use in a wide variety of amenity situations.

- Lawns
- Turf Farms
- Golf Course rough.
- Parks and green spaces.
- Suitable in both shaded and open areas.
