

Seed Never Looked So Good!

RIO BERMUDAGRASS

The reviews are in...and RIO is the winner!

We know seeding bermudagrass is a lot cheaper than sprigging or turfing, but can seed really look as good as them? YES! But you don't have to take our word for it. Turf managers around the world have seen how amazing RIO is and are singing its praises. Whether you use it for a home lawn, sports turf, or even a polo field RIO helps you achieve the look your after and saves you money! Choose RIO seeded bermudagrass and look good while you save money.

When Second Best Won't Do

The data doesn't lie...RIO is the best!

RIO seeded bermudagrass isn't just better, it's proven! Backed by top rankings in NTEP trials and praised by turf professionals nationwide, RIO delivers dense coverage, outstanding color, and real savings over sod and sprigs. When you need turf that works as hard as you do, RIO is the name to remember.
